

Split Code Request

Select one:

- New split code _____ Update existing split code* _____

** To preserve historical data, updates can only be made to percentages on splits. Reps cannot be added or removed from existing splits. Submit one form per split code request.*

By requesting a split code, all representatives acknowledge and agree to the following:

- Each Representative listed on the split code is responsible for all activities within the account(s).
- All Representatives listed on the split code must be registered, appointed, and/or licensed in the applicable state, with the applicable product provider, or hold the applicable registration(s) to be compensated for the sales activity within the account(s).
- PCS does not require all representatives listed on a split code to sign a new account/product application. Only one representative listed as part of the split code needs to sign a new account or product application.

Please list the names and percentage of the representatives to be listed on the new split code below:

Name	% of Split	Signature	Date

Please email completed form to registration@pcsb.net. If you have any questions, please contact Commissions at (800) 966-9347, Option 2, 1, 6.
